The Number Portability Administration Center (NPAC) is the definitive source of number portability data for the United States.

In addition, certain NPAC data elements are available to specific, qualified companies whose businesses rely on quick and accurate access to this data. These services, which require a separate registration, include:

PortData Comply

PortData Validate

PortData Source

WDNC

FRAUD

ELEP or phone-based IVR service

ELEP or IVR

Used exclusively for verifying the porting history, service provider ownership and service provider contact information for a specific number
